On Temporary Signs and/or additions to pole signs, an Affidavit of owner's permission is required.

It is the Responsibility of the Owner, Contractor, or Representative and any and all subcontractors to schedule any and all inspections pertaining to their specific trade.

No sign to be set or installed without first contacting Code Enforcement Office. If in doubt, call ahead to verify!

Inspections must be scheduled Twenty-Four (24) hours in advance. NO SAME DAY INSPECTIONS.

Current Codes Adopted: 2012 IBC, IRC, IMC, IEC, IFC, IFGC, IPC, and ALL ADOPTED APPENIXES and the CITY ZONING ORDINANCE

The permit, after issuance, becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. In the event of misrepresentation of fact, false statement, or incorrect information on this application and/or on the plans on which the permit or approval was based, the permit may be revoked.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not, the granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
